

Ohio exam numbers cheat sheet

Every figure the Ohio CORE and Category 1 Aerial exams ask you to recall. Print this and read it the morning of the exam.

70%	Passing score on every Ohio pesticide exam
25–150	Question count range, depending on the category
2–4 weeks	Until exam results post to ODA
5 business days	Minimum wait before retesting a failed exam
1 year	Window to pass exams after an accepted application
\$35 / \$35	Application fee / annual renewal (OSU Extension ANR-0140)
September 30	Licence expiry; late renewal to March 31 if hours done by Sept 30
Every 3rd year	Recertification: 5 hours min (1 CORE + 0.5 per category); no carry-over
Same day	Records must be written the day of application, in English
10 days	To the central/registered business location
3 years	Record retention period
25 miles / 2 hours	Trained-serviceperson supervisor availability
43,560	Square feet in an acre
128 / 8 / 4	Fluid ounces / pints / quarts in a gallon
16	Ounces in a pound
GPA formula	$(\text{GPM} \times 495) \div (\text{mph} \times \text{swath ft})$
LD50	Lower number = more toxic
CAUTION → DANGER	CAUTION < WARNING < DANGER < DANGER–POISON
15–20 minutes	Eye flushing time after a splash
1-800-222-1222	Poison Help
1-800-424-9300	CHEMTREC (transport emergencies)
1-800-858-7378	National Pesticide Information Center
614-728-6987	ODA Pesticide & Fertilizer Section

614-292-4070	OSU Extension PSEP
6 months	Maximum age of an endangered-species bulletin at application
30 days	WPS information display after the REI expires
400 ft AGL	General small-UAS altitude limit
55 lb	Weight above which a Section 44807 exemption is generally needed
Fine / Medium / Coarse	106–235 / 236–340 / 341–403 microns (ASABE S572)
\$300k / \$300k / \$300k	OAC 901:5-11-07 (B): general aggregate / per occurrence / products & completed ops
\$100k / \$100k / \$300k	OAC 901:5-11-07 (D) aerial: property damage / BI per person / BI per occurrence
W-A-L-E	Wettable/dry → Agitate → Liquids → Emulsifiables (adjuvants last)
Control–Contain–Clean up	Spill response order

Verify anything time-sensitive with ODA (614-728-6987) before you rely on it. Fees, schedules and recertification requirements are set by rule and change.
